Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,700/individual or \$3,400/family for In-Network Providers. \$3,400/ individual or \$6,800/family for Out-of-Network Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> for In- <u>Network</u> and Out-of- <u>Network</u> <u>Providers</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$2,600/ individual or \$5,200/family for In-Network Providers. \$5,200/ individual or \$10,400/family for Out-of-Network Providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Services deemed not medically necessary by Medical Management and/or Anthem, Provider charges in excess of the maximum reimbursable charge Premiums, balancebilling charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if	Yes. <b>NY Blue Access PPO</b>	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u>
you use a <u>network</u> <u>provider</u> ?	network if you reside in NY (excluding Suffolk County), <b>GA Blue Open Access POS</b> network if you reside in GA, <b>Blue Card PPO</b> network for all other areas. See includedhealth.com/google	network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Do you need a referral	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
